

Summary CV - Dr Helen Tucker

Roles and Experience

Dr Helen Tucker is a research and consultant. She has a special interest in community hospitals and integrated care.

Helen is Vice President of the Community Hospitals Association for England and Wales, with a special responsibility for providing advice to members, publicity, research, and sharing information on community hospitals such as through the CHARM website - <http://www.communityhospitalsresearch.org.uk>

Helen is working with the University of Birmingham and the University of Leeds, part of a national programme researching community hospitals.

Helen works as an independent management across the UK, working with GPs, community groups, providers and commissioners of services. She has recently reviewed the contribution of the Scottish Community Hospitals Association and their community hospitals, and has reviewed Scottish community hospitals on islands and in remote and rural areas.

Helen is a Trustee of All Hallows Healthcare Trust, and currently working as part of a Clinical Development Team for the hospital.

Helen publishes regularly on speaks at national and international conferences and is on the Editorial Advisory Board of the Journal of Integrated Care.
