

### Team Leader Huddles

Nairn Town and County Hospital and GP Practice  
Highland Health Board

#### SUMMARY:

Team Leaders across the Community Hospital and community teams had daily huddles to plan collectively regarding patient needs, staffing, equipment and priorities.

#### PURPOSE:

To strengthen local management by supporting Team Leads through daily huddles

For more information visit:  
[www.communityhospitals.org.uk](http://www.communityhospitals.org.uk)

#### STAFF BENEFITS:

Support from the organisation  
A greater bond with other Team Leaders providing peer support

#### PATIENT BENEFITS:

A well managed service with staff working collaboratively to meet patient needs

#### SYSTEM BENEFITS:

Planned and managed integrated working across hospital and community  
Support for local Team Leaders which enabled them to support their staff

#### TOP TIPS:

Collaborative working makes best use of staff and resources  
Daily senior huddles strengthened close working and provided peer support
