

## Creating with Care

2020 Innovation and Best Practice Award Winner Update

Oxford Health NHS Foundation Trust

### SUMMARY:

Development of an art based activities programme

### PURPOSE:

For patients to be able to engage in meaningful activity, to have a voice and feel heard and valued

For more information visit:  
[www.communityhospitals.org.uk](http://www.communityhospitals.org.uk)

### WHAT WE DID:

- Wellbeing has been enhanced through a programme of activities for staff, patients and their families
- The programme has included dance, mime, film, music, visual arts, crafts, cabaret, photography, exhibitions, museum and heritage visits

### UPDATE FOR 2022:

- Holding workshops and performances in the gardens
- Virtual sessions with professional artists/musicians
  - Art carts with individual activities for each ward
- Mural at Witney Community Hospital in the staff room co-designed with staff
- Developing a photobook covering 18 months of Covid
  - Virtual staff sessions
- A mosaic project with staff to commemorate a member of staff who died from Covid
