

CHA Community Hospital Conference 2024 Gloucester

EVALUATION RESPONSES SUMMARY

OVERALL
“Excellent conference. Loved it.”
“Best conference programme I can recall seeing.”

NETWORKING
“Great networking and listening to others.”
“Having plenty of time to network.”

WORKSHOPS
“The brilliant selection of workshops.”

OVERALL
“No I can't think of anything that would have been an improvement.” “Nothing that was in your control.”

HOTEL SERVICE AND CATERING
“This isn't a reflection on your organising ability - we have had great service and food at previous Marriott hotels.”

WORKSHOPS
“A little more time between workshops to move around and grab a coffee.” “Repeating some of the workshops on different days as some clashed.”

PRESENTATIONS
“The presentations were engaging, interesting and relevant to my day to day work and role.”

FORMAT & ORGANISATION
“The structure was brilliant.”
“Really well organised conference - signs, timetable and booking etc.”

VENUE
Great venue, central and suited the needs of the delegates.”

FORMAT
“A little more time to visit the stalls and to read the poster winners.” “More opportunities for more facilitated networking.”

PUBLICITY
“Brilliant putting list of workshops on back of badge.” “Also the booklet given out on the day was excellent and would have been very helpful to have at the booking stage to assist with picking which speaker to attend.” “Encourage more people to submit posters/displays about work that is going on in their hospital.”

WHAT WORKED WELL FOR YOU?

WHAT COULD HAVE BEEN BETTER?

WOULD YOU RECOMMEND FUTURE CHA CONFERENCES?

WHAT WOULD YOU LIKE IN FUTURE CONFERENCES?

ANYTHING YOU WOULD LIKE TO ADD?

“Definitely would recommend, just a great opportunity to share information and network.”

“Yes, already advising people to look at going if another one organised.”

FORMAT
“Some evening entertainment after the meal would have been nice - I appreciate this was the first conference in a while and you're starting off small.”

FUTURE TOPICS
“Sometimes the most simple or practical ideas speak the most volumes and we all have stories to tell/things that have worked/not worked.”
“Talks on projects undertaken in the Community Hospital and how it has improved practice and benefitted patients.”

“Thank you very much for a fabulous conference all the hard work paid off, well run, interesting and lots of ideas to take forward-well done.” “Thank you for organising such a brilliant conference.”

“I think this was a fantastic conference with a really great diverse of sessions and workshops. Good to be able to meet some of the sponsors and exhibitors.”

FUTURE ATTENDERS
“More partners supporting and developing with community hospitals and how community hospitals are being promoted.”
“It was great to get to know our colleagues and I look forward to understanding where the other community hospitals are and how we can link up.”

WORKSHOPS
“Facilitated thinking spaces for discussions between staff who have similar roles in different locations to think and explore together answers to challenges we are all facing.”
“More ambitious work about the changing role of community hospitals in the wider ICS”
“More celebration of local success stories”

“Thank you for providing such a full, engaging and warm couple of days. It was fantastic!”
